

How to drive to Merseytravel HQ from the M62 Motorway (Junction 4)

Merseytravel

1 As you come to the end of the motorway follow the signs and get into the correct lane for the city centre (A5047).

2 After moving through the set of lights, follow the road as it bends right under the flyover, then carry straight on at the next set of lights and move onto Edge Lane (A5047). Continue down this road.

10 Head up Dale Street alongside the flyover - keep to the right. This takes you onto Hatton Garden.

11 Take a right onto Hatton Garden (just before the Magistrates court).

12 Merseytravel Head Office is halfway up the road on the right. If you need to park your car, there are several car parks in the area **P**. Please be aware of the one way system.

3 Carry on straight ahead through the junction avoiding the left turn only left hand lane. You will then pass a retail park on the left.

9 Take the exit immediately after the Queensway tunnel entrance onto Dale street.

8 Move into the left hand lane and turn left onto Byrom street. Carry on down Byrom street to the roundabout just past the flyover and get into the right hand lane.

7 At the second set of lights, using the middle lane, head straight onto Hunter Street, taking care not to veer left back onto Islington.

6 Follow the road as it bends sharply to the left. Head down this road and prepare to get into the middle lane.

5 At the traffic lights take a right turn onto Hall Lane and drive up this road. You should be able to see the hospital over on the left.

4 Drive straight on through the junction and gradually move across to the right hand lane ready to make a right turn.
